

News Release Winter 2022: Personnel changes and updates in Manuals and Brochures

Vesa Knuutila, Technical Manager, has taken a well-deserved retirement, as of the beginning of December. buildinginfo@purso.fi / +358 3 3404 600 will continue to serve.

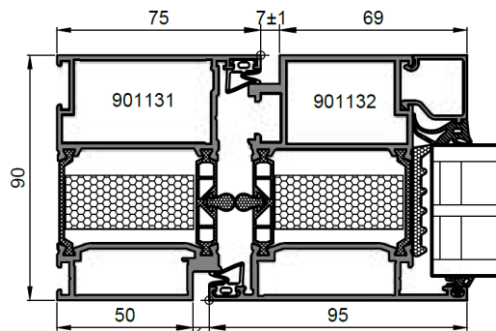

LK90H balcony door system will be updated to LK90X-system

New/ updated:

- Now same than in LK78X -system:
 - Thermal breaks
 - Glazing beads
 - Gaskets
- Hinge selection is updated
 - Hahn R751 -butt hinge will replace Savio and Alpro -models

Pic 1. Old LK90H cross section

Pic 2. New LK90X cross section

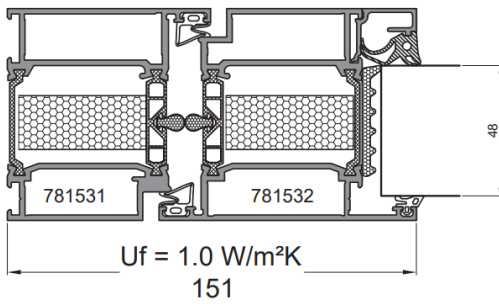

P76E unitized façade system replaces P65E -system

- Even easier assembly and installability than before
- Width 65 mm -> 76 mm
- Enables attachment of surface-mounted lamells, etc.

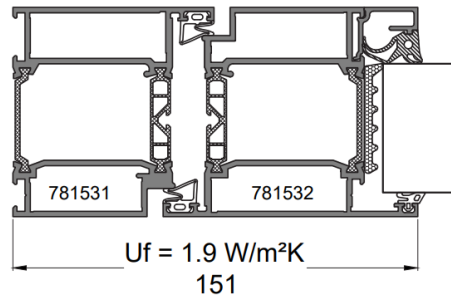

LK75eco, LK78H and LK78 – systems will be removed from the selection

- Old systems in stock will be sold out
- Now and in the future available: **LK78X** and **LK78Xe** systems and **LK90eco**
