

Aluminium electrical
tubes and fittings

Purso aluminium electrical tubes, extension bends and connectors

Purso aluminium tubings and associated fittings comply with the relevant standards in both dimensions and quality. They are easy to install on all wall types. The thin-walled tubes can be bent as needed during installation and the practical push-fit connection system ensures quick and easy joining.

Electrical tubes L = 3000 mm

Product designation	Purso product code	ID Ø /mm	Delivery length /mm	Weight kg /100 m	Packaging /m
PPU 16 1102516	K03992A	14,0	3,0	13,0	150
